Summary

Final-year Computer Science student and undergraduate AI researcher with strong interests in AI, and algorithmic optimization. Experienced in competitive programming with multiple national and regional achievements.

Education

HCMC University of Technology and Engineering — *Ho Chi Minh City, Vietnam*
Bachelor of Computer Science — *2023 – Present*

- Expected graduation: September 2027. GPA: 3.31/4.0.
- Vallet Scholarship 2026

Experience

Outabox — *Ho Chi Minh City, Vietnam*
AI Engineer Intern — *Jul – Sep 2026*

- Architected an Agentic AI workflow for employee leave management using LangGraph.
- Deployed a RAG pipeline with PostgreSQL pgvector and semantic reranking for grounded API retrieval.

Projects

Agent Multifloor Maze Game — *GitHub*
2025

- Built a **multi-floor maze** RL environment with procedural maps, traps, key, door puzzles, and enemy AI.
- Implemented a lightweight CNN-vector policy for the agent's observation processing.
- Trained agents with **PPO/A2C** via a **9-level curriculum** and benchmarked on win rate and reward.

Machine Translation — *IWSLT15 English–Vietnamese*
2026

- Built a data pipeline for the **IWSLT15 English-Vietnamese** dataset.
- Implementing the **Luong attention-based Seq2Seq** architecture from scratch with **PyTorch**.

Skills

Programming	C++, Python, SQL
Specializations	MLP, CNN, RNN, LSTM, Transformers, Attention Mechanism
AI & Machine Learning	PyTorch, Scikit-learn, Hugging Face, OpenCV, XGBoost, LightGBM, LangGraph
Databases & Tools:	FastAPI, PostgreSQL, MySQL, Docker, Git, Linux

Achievements

2026	**Honorable Mention**, The ICPC Asia Pacific Championship 2026	*Taiwan*
2025	**Gold Medal**, The ICPC Asia Ho Chi Minh City Regional Contest 2025	*Vietnam*
2025	**First Prize**, The ICPC Vietnam National Programming Contest 2025	*Vietnam*
2025	**Honorable Mention**, The ICPC Asia Pacific Championship 2025	*Singapore*
2024	**Bronze Medal**, The ICPC Asia Hanoi Regional Contest 2024	*Vietnam*
2024	**First Prize**, The ICPC Vietnam National Programming Contest 2024	*Vietnam*
2024	**Champion**, R.ODE Battle (Backend Round)	*FPT University HCM*
2024	**2nd Runner-up (Gold Medal)**, Da Nang Code League 2024 (Code Warrior Round)	*FPT Software*
